MOVING PREPARATION

Create a Moving Plan: Schedule moving dates and hire movers or rent a truck.

Declutter: Go through each room and decide what to keep, donate, sell, or throw away.

Gather Packing Supplies: Get boxes, tape, bubble wrap, markers, and packing paper.

PREPARE PACKING

Pack Non-Essential Items: Start with items you use less frequently.

Label Boxes: Clearly label each box with its contents and the room it belongs to.

Create an Essentials Box: Pack a box with items you'll need immediately after moving.

Pack Room by Room: Focus on one room at a time to stay organized.

Protect Fragile Items: Use bubble wrap or packing paper to protect breakables.

UTILITIES & SERVICES

Notify Utility Companies: Schedule the disconnection of utilities (electricity, gas, water, internet).

Change Address: Update your address with the post office, banks, and other important institutions.

Cancel or Transfer Services: Cancel or transfer services like cable, internet, and home security.

CLEANING & REPAIRS

Repair Damage: Potentially fix any damage to the home (holes in walls, broken fixtures).

Deep Clean: Thoroughly clean the entire house or hire a cleaning service.

Dispose of Hazardous Materials: Properly dispose of items like paint, batteries, and chemicals.

FINAL CHECKS

Inspect Each Room: Check each room to ensure nothing is left behind.

Lock Windows and Doors: Make sure all windows and doors are securely locked.

Keys: Return keys to the landlord or leave spare sets of keys in a kitchen drawer - don't forget garage door remote controls.

Take Photos: Take photos of the empty home for your records.

MOVING DAY

Pack Last-Minute Items: Pack items you've been using up to the moving day.

Meet Movers: Be present when movers arrive to oversee the process.

Double-Check the Home: Do a final walkthrough to ensure everything is packed and nothing is left behind.
